ADMISSION 2010

National Law University, Jodhpur (NLU) is an institution of excellence devoted, to multidisciplinary study and research in the field of legal education. This prestigious Institution was established with the enactment of the National Law University Act 1999 and the University became functional in 2001. The founding fathers had a vision of building a world class institution which would cater to the changing national and international demands in the legal, managerial and technical arena and we at NLU strive to realize this vision.

Teaching at the University is a practical implementation of our ambitious motto 'Knowledge is Empowerment' and through variegated and multifarious teaching methods, world class infrastructure, support and academic services along with the necessary intellectual and motivational inputs; we produce world class professionals.

NLU is a fully residential university with adequate accommodation for all its students. The entire campus is provided with wireless internet connectivity.

Postgraduate and Research programs are offered in various disciplines at NLU. The institution has excellent faculty in the disciplines of Law, Management, Science and Policy Sciences under whose guidance young and bright students are imparted knowledge and value added education. This gives the students a cutting edge to face the challenges of the profession and be suitably employed in various vocations as well as to pursue higher studies.

POST GRADUATE PROGRAMS

The University offers Post Graduate Degree Programs in:

- Management and Law {MBA-LL.M./MBA-MBL (Six Semesters-3 Years)}
