ABOUT THE SCHOOL OF INSURANCE STUDIES

The School of Insurance Studies (SIS), started in 2002, has already established itself as the premier institution maintaining the highest standards of education, research and professional skills in the field of Insurance. SIS provides quality learning experience and skill development opportunities to the students. We have a young and dynamic team of faculty members who are moving with the vision of producing world-class Insurance professionals. The course content has been designed keeping in mind the needs and requirement of the insurance sector with subjects ranging from theory and practice of Risk Management, Underwriting of Risks and Reinsurance. The course content also includes several important subjects of Management to equip our students with modern management concepts.

National Law University Jodhpur is a fully residential university. It is fully equipped with wireless Internet connectivity.

The Insurance Industry in India has tremendous growth potential in Life and Non-Life sectors, taking into account the low penetration and density of Insurance coverage compared to the developed economies. The next decade is expected to witness a phenomenal growth in the career opportunities for the insurance professionals.

POST GRADUATE PROGRAMMES IN INSURANCE

The University offers following Post Graduate Degree Programmes in Insurance:
