

NATIONAL LAW  
UNIVERSITY JODHPUR

INDIAN INSTITUTE OF  
SUSTAINABLE DEVELOPMENT, NEW DELHI

# EXECUTIVE MBA IN BUSINESS & SUSTAINABILITY

*Blended Mode*

( Two-year degree programme offered by NLU Jodhpur & IISD, New Delhi )

“Lead profitable enterprises, shape sustainable futures”

**National Law University Jodhpur** is a premier public law school in Jodhpur, Rajasthan, established in 1999 and known for its strong legal education and research environment. It offers a range of programs, including integrated B.A./B.B.A. LL.B. (Hons.), LL.M. in Corporate Laws, IPR Laws, International Trade Laws, Law & Technology, and Public Laws, MBA (Insurance), and PhD programme, with admissions to many programs based on CLAT scores. The university has a large residential campus with modern infrastructure like moot court halls, digital classrooms, and a well-stocked library, promoting both academic and extracurricular growth. NLU Jodhpur is regularly ranked among India's top law universities and has a solid placement record with graduates recruited by reputed law firms and corporates. It also hosts national events and conferences, attracting legal scholars and leaders from across the country.

**Indian Institute of Sustainable Development, New Delhi** is a national non-profit public policy think tank and scientific research institute based in New Delhi, India focused on promoting sustainability across social, environmental, and economic dimensions. It works on research, innovation, and community engagement aimed at improving quality of life and guiding India toward an inclusive and equitable sustainable path involving people, planet, and business. IISD collaborates with governments, international organizations, academia, and industry to inform policy, conduct field research, and support grassroots initiatives for ecological balance and social justice. The institute also convenes events like the Global Sustainability Summit to bring together thought leaders, policymakers, and practitioners to debate and advance sustainability solutions. Its activities span climate action, resource conservation, and sustainable development advocacy at local to global levels.
