MEDICAL NEGLIGENCE: LEGAL, ETHICAL AND REGULATORY PERSPECTIVES

INTRODUCTION : This course combines legal theory with practical application, equipping participants for roles in litigation, policy, and consultancy within healthcare. It benefits law students by deepening their understanding of medical negligence and the broader concept of negligence. Medical professionals gain insight into legal complexities and ethical implications, enhancing their professional sensitivity. Legal practitioners also benefit by better understanding the medical field's intricacies.

MODULES:

Module 1: Negligence as a Tort.

Module 2: Negligence in Medical Profession and the Nature of Disputes.

Module 3: Legal Framework for Medical Negligence in India.

Module 4: Scope and Extent of Damages and Compensation.

Module 5: Dispute Resolution Mechanism to Redress Complaints under Medical Profession.

COURSE COORDINATOR : Mr. Aniruddh Panicker, Assistant Professor, Faculty of Law, NLU Jodhpur

RESOURCE PERSONS:

Dr. Shashi Panicker, Doctor of Medicine, Associate Professor, Mahatma Gandhi University of Medical Sciences Jaipur.

Dr. Bipin Kumar, Associate Professor, Faculty of Law, NLU Jodhpur.

Dr. Anand Kumar Singh, Assistant Professor, Faculty of Law, NLU Jodhpur.

Dr. Ankit Srivastava, Assistant Professor, Faculty of Law, NLU Patiala.

Mr. Aniruddh Panicker, Assistant Professor, Faculty of Law, NLU Jodhpur.

LITIGATING BANKING DISPUTES IN INDIA: LAW, INVESTIGATION AND REDRESSAL

INTRODUCTION : In an era of digital banking and increasing financial fraud, legal awareness is no longer optional—it's essential. This course empowers law students, advocates, banking professionals, and concerned citizens with the practical tools, legal frameworks, and strategic insights needed to understand, navigate, and litigate banking disputes in India. From cheque bounce to cyber fraud, this programme bridges the gap between financial vulnerability and informed legal action.

MODULES:

Module 1 : Common Banking Disputes – Nature and Classifications.

Module 2 : Legal and Regulatory framework Governing Banking Disputes in India.

Module 3 : Investigation of Financial Frauds and Disputes.

Module 4: Banking Disputes Redressal Mechanisms.

Module 5 : Practical Litigation Skills and Preventive Strategies.

RESOURCE PERSONS:

Dr. Om Prakash, Associate Professor, Faculty of Humanities and Social Sciences, NLU Jodhpur.

Dr. Rashmi Mathur, Associate Professor, Faculty of Humanities and Social Sciences, NLU Jodhpur.

Dr. Niranjana Rajpurohit, Associate Professor, Faculty of Management, NLU Jodhpur.

Dr. Mahalingam M., Associate Professor, Faculty of Law, SGT University, Gurgaon.

HAPPINESS AND ECONOMICS : POLICY TO EXECUTION

INTRODUCTION : This course examines the shift from GDP dominance to emerging happiness and well-being indicators. It explores the limitations of traditional growth measures and their impact on people and the planet. Emphasizing the importance of subjective well-being in development metrics and policymaking, the course highlights how happiness can inform systemic interventions. Participants will gain insights into the

policy-to-execution journey of happiness, learning how to enhance both subjective and objective quality of life through public policy and organisational level efforts.

MODULES:

Module 1 : Introduction to Happiness and Economics.

Module 2 : Socio-Economic Measures of Happiness and Well-Being.

Module 3 : Happiness, Systemic Interventions and Public Policy.

Module 4 : Organizational Interventions for Promoting Happiness and Well-Being.

Module 5 : Happiness- Insights from Indian Knowledge System.

Dr. Sucheta Boora, Assistant Professor, Faculty of Management, NLU Jodhpur.

Dr. Divya, Assistant Professor, Faculty of Law, NLU Jodhpur.

STATISTICS FOR LAWYERS

The medium of instruction for this course will be Hindi language

INTRODUCTION : Statistics is a powerful tool in law, from assessing probabilities to uncovering discrimination. Understanding statistical principles allows legal professionals to critically evaluate evidence, beyond qualitative arguments. "Statistics for lawyers" refers to applying statistical reasoning to legal issues, helping attorneys, judges, and scholars make informed, data-driven decisions. As quantitative evidence increasingly shapes outcomes in civil litigation, criminal justice, and public policy, statistical literacy has become an essential skill for today's legal professionals.

MODULES:

Module 1 : Introduction to Legal Statistics.

Module 2 : Data Types & Descriptive Statistics.

Module 3 : Probability & Statistical Inference.

Module 4 : Correlation, Regression & Causation in Law.

Module 5 : Applied Legal Analytics & Capstone Project.

COURSE COORDINATOR : Dr. R.N. Agarwal, Assistant Professor (Mathematics), NLU Jodhpur.

LIST OF RESOURCE PERSON:

Dr. R.N. Agarwal, Assistant Professor (Mathematics), NLU Jodhpur.

Dr. Siddharth Balani, Assistant Professor, Faculty of Law, NLU Jodhpur.

Dr. Pran Banjara Assistant Professor, Faculty of Management, NLU Jodhpur.
