RESPONSIBLE AI (RAI) FOR ORGANISATIONS

One Week Online Certificate Course

Date : October 10th - 17th, 2026

Course Fee : Rs. 6,500/- (all inclusive)

Course Coverage : The course will be of 18 hours with classes on weekends and asynchronous learning on weekdays. Study material in soft copy will be shared by the faculty. There will be no recorded lectures. Certificates of course completion will be awarded to participants who meet the attendance and assessment requirements.

Other Details : Same as for the 3 months courses.

INTRODUCTION : As organisations increasingly integrate AI into critical functions, they must balance innovation with responsibility, risk management, compliance, and trust. This course is designed to equip professionals with the knowledge and practical frameworks needed to govern AI throughout its lifecycle, emphasising a practical, strategy oriented perspective. By the end of the course, participants will be able to contribute to the development of responsible AI practices within organisations, and make informed decisions that promote innovation while ensuring responsibility, transparency, safety, and long-term organisational resilience in an increasingly AI-driven economy. The course is curated for engineers, managers, AI officers, compliance officers, legal executives, and any other professional/student interested in understanding RAI for organisations.

MODULES

Module 1 : Introduction to AI Ethics and RAI Principles.

Module 2 : Global and Indian Frameworks for RAI.

Module 3 : AI Lifecycle, AI Actors, Deployment Contexts, Risk, Classification, and Deployer - Provider Perspectives.

Module 4 : Standardizing AI functions with ISO/IEC Standards

Module 5 : Establishing Compliance with Audits and Assessments

Module 6 : Sectoral Guidance for RAI

Module 7 : Challenges, Emerging Risks, and Way Forward
